PRESS RELEASE

The Republic Bank Caribbean Junior Open Golf Championships tees off at 7:50 tomorrow morning with 44 boys and girls competing in the 13& Under, 14-15 and 16-17 age groups.

Competition in all the age groups is expected to be keen especially so in the Boys 16-17 age group with Jack Widmer from the Cayman Islands expected to provide a stern test for his local counterparts that include Talin Rajendranath, Jake Delaney and Jessel Mohammed among others.

Mathew Marquez and Robert Boocock will have to be at their best in the 14-15 boys to overcome rising Jamaican star Johnathan Newman who won the Caribbean Amateur Junior Championships 2 years ago at St Andrews. Johnathan has represented Jamaica in the Caribbean Amateur Championships and also played for the Western Caribbean team last year against the East.

The girls 16-17 category also looks to be a difficult one to pick a winner with Aleema Jack, Brittany Marquez, and Natalya Rahamatula all having won competitions recently.

There are 104 juniors competing in the different divisions over the three days.
